**(Macao, Feb. 24, 2015)** – Discover once in a lifetime experience to see Ralph Lauren’s iconic Ricky Bag exhibition on display at the East Lobby Atrium of the Shoppes at Cotai Central from February 13 to March 1, 2015. The Giant Ricky Bag is a massive two-meter tall, hand crafted leather bag from the current Spring Summer 2015 Ricky bag collection. There is a limited edition black Chinese New Year Rick Bag with a red stripe that can be purchased exclusively at Ralph Lauren store in Shoppes at Cotai Central.

The Ricky bag was designed by Lauren for his wife and muse, Ricky Anne Loew-Ber. Each bag is painstakingly made from the finest materials available. The pattern is hand drawn and each individual piece is measured, cut and attached by hand. A testimony to its precise construction, the Ricky bag can take up to 12 hours of workmanship to complete. The bags feature nine different pieces of hardware, including the signature functioning lock, which is a defining detail of this iconic piece.

Customers can relish in an exclusive and complimentary embossing service when purchasing a Ricky Bag and relish is a rare offer of 15% off, on selected merchandise in the Ralph Lauren store at Shoppes at Cotai Central throughout the exhibition period.
